Help us cover BOB, the Christmas Tree, in an avalanche of snowflakes!

The third Annual Help, Incorporated Christmas Tree Fundraiser is shaping up to be an avalanche event for 2017! Bob, our tree this year, will be located on the right side of the Rockingham County Governmental Center. He will be decorated with snowflakes representing the different areas of our agencies services. The blue represents child abuse, purple represents domestic violence, teal represents sexual assault, and silver represents elder abuse. We want Bob to be covered in an avalanche of snowflakes!

There will be a Kick Off Ceremony on **November 29th at 4 pm** on the Rockingham County Governmental Center lawn. You can sponsor a snowflake in memory or honor of someone and a card will be sent to the person to notify them of the donation made in their name. You can also choose the color of the snowflake to be placed on the tree.
